**OFFICE OF PETITIONS**

In re Application of :  
DeWilde, et al. :  
Application No. 10/596,644 : DECISION  
Filed/Deposited: 20 June, 2006 :  
Attorney Docket No. NL04 1251 US1 :

This is a decision on the petition filed on 6 June, 2008, and resubmitted on 5 September, 2008, considered as a petition under 37 C.F.R. §1.181 (no fee) requesting withdrawal of the holding of abandonment in the above-identified application

The petition as considered under 37 C.F.R. §1.181 is **GRANTED**.

As to the Request to Withdraw  
the Holding of Abandonment

A proper showing (for relief under 37 C.F.R. §1.181):

- (as to non-receipt) requires at the very minimum: a statement from practitioner stating that the Office action was not received by the practitioner; a statement from the practitioner attesting to the fact that a search of the file jacket and docket records for the application indicates that the Office action was not received with a copy of those docket records; and a brief statement of the calendaring process and a copy of the due-date (calendar) docket record(s) where the nonreceived Office action would have been scheduled for reply had it been received must be attached to and referenced in the practitioner's statement; alternatively,
- (for a showing of timely and proper reply) requires a statement from practitioner stating that the reply was timely submitted by the practitioner; and copies of all papers submitted as and/or in support of that reply, with/and a copy of the date-stamped receipt card, Office FAX receipt acknowledgement (not simply Petitioner's FAX transmittal), or

EFS receipt acknowledgment from the Office, along with practitioner's attestation as to the correctness/completeness of his/her records.

The showing(s) must include that of the person(s) with first-hand knowledge and an acknowledgment by the Petitioner that he/she has reviewed that information in compliance with his/her duty of candor to the Office.

Petitioners' attentions always are drawn to the Commentary at MPEP §711.03(c).<sup>1</sup>

#### **I. PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

A petition to revive an abandoned application (discussed below) should not be confused with a petition from an examiner's holding of abandonment. Where an applicant contends that the application is not in fact abandoned (e.g., there is disagreement as to the sufficiency of the reply, or as to controlling dates), a petition under 37 C.F.R. 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action, and such petition does not require a fee. Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment), a petition under 37 C.F.R. 1.137 (accompanied by the appropriate petition fee) is necessary to revive the abandoned application.

Two additional procedures are available for reviving an application that has become abandoned due to a failure to reply to an Office Action: (1) a petition under 37 C.F.R. 1.137(a) based on unavoidable delay; and (2) a petition under 37 C.F.R. 1.137(b) based on unintentional delay.

##### ***A. Petition To Withdraw Holding of Abandonment Based on Failure To Receive Office Action***

In *Delgar v. Schulyer*, 172 USPQ 513 (D.D.C. 1971), the court decided that the Office should mail a new Notice of Allowance in view of the evidence presented in support of the contention that the applicant's representative did not receive the original Notice of Allowance. Under the reasoning of *Delgar*, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action. That is, the reasoning of *Delgar* is applicable regardless of whether an application is held abandoned for failure to timely pay the issue fee (35 U.S.C. 151) or for failure to prosecute (35 U.S.C. 133).

To minimize costs and burdens to practitioners and the Office, the Office has modified the showing required to establish nonreceipt of an Office action. The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner \*\*>describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.<

The showing outlined above may not be sufficient if there are circumstances that point to a conclusion that the Office action may have been lost after receipt rather than a conclusion that the Office action was lost in the mail (e.g., if the practitioner has a history of not receiving Office actions).

Evidence of nonreceipt of an Office communication or action (e.g., Notice of Abandonment or an advisory action) other than that action to which reply was required to avoid abandonment would not warrant withdrawal of the holding of abandonment. Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment. See *Lorenz v. Finkl*, 333 F.2d 885, 889-90, 142 USPQ 26, 29-30 (CCPA 1964); *Krahn v. Commissioner*, 15 USPQ2d 1823, 1824 (E.D. Va 1990); *In re Application of Fischer*, 6 USPQ2d 1573, 1574 (Comm'r Pat. 1988).

##### ***B. Petition To Withdraw Holding of Abandonment Based on Evidence That a Reply Was Timely Mailed or Filed***

37 C.F.R. 1.10(c) through 1.10(e) and 1.10(g) set forth procedures for petitioning the Director of the USPTO to accord a filing date to correspondence as of the date of deposit of the correspondence as "Express Mail." A petition to withdraw the holding of abandonment relying upon a timely reply placed in "Express Mail" must include an appropriate petition under 37 C.F.R. 1.10(c), (d), (e), or (g) (see MPEP § 513).

Petitioner seeks to provide the documentation in compliance with the Commentary at MPEP §711.03(c)(A) and/or (B) as it is set forth on the website (and included for reference herein).

## BACKGROUND

The record reflects that:

Applicant, appeared to fail to reply timely and properly to a Restriction Requirement mailed on 7 January, 2008, with reply due absent extension of time on or before 7 February, 2008.

The application went abandoned by operation of law after midnight 7 February, 2008.

The Office mailed the Notice of Abandonment 14 May, 2008.

On 4 June, 2008, Petitioner filed the instant petition with, *inter alia*, Petitioner's averment of timely reply with copies of the reply in the form of an Election and of the acknowledgement of the reply in the form of an Election along with a request and fee for extension of time to make timely on 9 May, 2008, at "09:49:18."

As indicated above, Petitioner resubmitted these materials on 5 September, 2008.

---

When a paper is shown to have been mailed to the Office using the "Express Mail" procedures, the paper must be entered in PALM with the "Express Mail" date.

Similarly, applicants may establish that a reply was filed with a postcard receipt that properly identifies the reply and provides *prima facie* evidence that the reply was timely filed. See MPEP § 503. For example, if the application has been held abandoned for failure to file a reply to a first Office action, and applicant has a postcard receipt showing that an amendment was timely filed in response to the Office action, then the holding of abandonment should be withdrawn upon the filing of a petition to withdraw the holding of abandonment. When the reply is shown to have been timely filed based on a postcard receipt, the reply must be entered into PALM using the date of receipt of the reply as shown on the post card receipt.

Where a certificate of mailing under 37 C.F.R. 1.8, but not a postcard receipt, is relied upon in a petition to withdraw the holding of abandonment, see 37 C.F.R. 1.8(b) and MPEP § 512. As stated in 37 C.F.R. 1.8(b)(3) the statement that attests to the previous timely mailing or transmission of the correspondence must be on a personal knowledge basis, or to the satisfaction of the Director of the USPTO. If the statement attesting to the previous timely mailing is not made by the person who signed the Certificate of Mailing (i.e., there is no personal knowledge basis), then the statement attesting to the previous timely mailing should include evidence that supports the conclusion that the correspondence was actually mailed (e.g., copies of a mailing log establishing that correspondence was mailed for that application). When the correspondence is shown to have been timely filed based on a certificate of mailing, the correspondence is entered into PALM with the actual date of receipt (i.e., the date that the duplicate copy of the papers was filed with the statement under 37 C.F.R. 1.8).

37 C.F.R. 1.8(b) also permits applicant to notify the Office of a previous mailing or transmission of correspondence and submit a statement under 37 C.F.R. 1.8(b)(3) accompanied by a duplicate copy of the correspondence when a reasonable amount of time (e.g., more than one month) has elapsed from the time of mailing or transmitting of the correspondence. Applicant does not have to wait until the application becomes abandoned before notifying the Office of the previous mailing or transmission of the correspondence. Applicant should check the private Patent Application Information Retrieval (PAIR) system for the status of the correspondence before notifying the Office. See MPEP §512.

### ***C. Treatment of Untimely Petition To Withdraw Holding of Abandonment***

37 C.F.R. 1.181(f) provides that, *inter alia*, except as otherwise provided, any petition not filed within 2 months from the action complained of may be dismissed as untimely. Therefore, any petition (under 37 C.F.R. 1.181) to withdraw the holding of abandonment not filed within 2 months of the mail date of a notice of abandonment (the action complained of) may be dismissed as untimely. 37 C.F.R. 1.181(f). Rather than dismiss an untimely petition to withdraw the holding of abandonment under 37 C.F.R. 1.181(f), the Office may require a terminal disclaimer as a condition of granting an untimely petition to withdraw the holding of abandonment.

\*\*\*\*\*

Petitioner appears to comply with the guidance in the Commentary at MPEP §711.03( c), which sets forth the showing requirements herein.

Out of an abundance of caution, Petitioners always are reminded that the filing of a petition under 37 C.F.R. §1.181 does not toll any periods that may be running any action by the Office and a petition seeking relief under the regulation must be filed within two (2) months of the act complained of (see: 37 C.F.R. §1.181(f)), and that those registered to practice and all others who make representations before the Office are reminded to inquire into the underlying facts of representations made to the Office and support averments with the appropriate documentation—since all owe to the Office the continuing duty to disclose.<sup>2</sup>

The availability of applications and application papers online to applicants/practitioners who diligently associate their Customer Number with the respective application(s) now provides an applicant/practitioner on-demand information as to events/transactions in an application.

Allegations as to the Request to  
Withdraw the Holding of Abandonment

The courts have determined the construct for properly supporting a petition seeking withdrawal of a holding of abandonment.<sup>3</sup> (See, also, the commentary at MPEP §711.03(c)(I)(A) and (B).)

And the regulation requires that relief be sought within two (2) months of the act complained of.

Petitioner appears to have satisfied the showing requirements as discussed hereinabove.

CONCLUSION

The petition under 37 C.F.R. §1.181 is **granted**, and the 14 May, 2008, Notice of Abandonment is **vacated**.

The instant application is released to the Technology Center/AU 2829 for further processing in due course.

Petitioner may find it beneficial to view Private PAIR within a fortnight of the instant decision to ensure that the revival has been acknowledged by the Technology Center/AU in response to this decision—and it is noted that all inquiries with regard to that change in status should be directed to the Technology Center/AU where that change of status must be effected.
